USED TO WORKSHEET

(material semana 25 al 29/05)

OBJ: TO DESCRIBE PAST HABITS USING THE EXPRESSION “USED TO” + INFINITIVE

EXPLANATION

‘Used to’ is used to talk about past situations or habits that continued for months or years and to emphasize that the situation today is different.

‘Used to’ has the same form in all persons, singular and plural and it is followed by infinitive.

‘Used to’ es utilizado para hablar acerca de situaciones pasadas o hábitos que continuaron por meses o años para enfatizar que la situación es diferente ahora. ‘Used to’ tiene la misma forma en todas las personas, de singular y plural y es seguida por un infinitivo

We also use ‘Used to’ ...for things that were true but are not true anymore.

También utilizamos ‘Used to’ ...para cosas que fueron verdaderas pero que ya no lo son.

- **I used to think** Armando was serious, but I realize he’s a very nice person.
- **I used to do** something is **PAST**. There is no present form. You cannot say “I use to do”.

Solía hacer algo es tiempo pasado. No tiene forma en tiempo presente. No se puede decir: ‘Suelo hacer’.

- **I used to live** with my parents but now I live with my husband or I live with my husband but I used to live with my parents.

We form questions and negations with the auxiliary verb **did / did not (didn’t)**, the subject and the verb “use” without **–d**.

Se forman preguntas y negaciones con el verbo auxiliar **did / did not (didn’t)**, el sujeto y el verbo “use” sin la **–d**.

RECORDAR QUE “USE” ES UN VERBO REGULAR, POR ESO AGREGAMOS EN SU FORMA PASADA LA TERMINACION “D”.

Did Silvia use to have long hair?

Carlos didn’t use to drink a lot of alcohol.
